Flower Facts
Saron UCC has a standing order with May’s Florist (located inside Baesler’s Grocery Store), each week.

$20 is all it costs for two lovely bouquets to take home. Just be sure to mark your check “flowers” in the memo and drop it in the offering plate. Please do not take the black inserts out of the church. That is why the bouquets are placed in plastic cups so that you may easily take the bouquets home.

If someone has already chosen the special date that you would like it is fine to go ahead and share that date with them. However, YOU will need to purchase your own additional flowers.

Sponsoring flowers is a great way to remember or honor a special occasion and at the same time make a visual contribution to the worship service.
